Work in the healthcare field. You must be a people person, customer-oriented, driven and a multi-tasker who enjoys working in a fast-paced environment. Full-Time/Union positions currently available at CFHC Chicago Lawn:

PATIENT SERVICE REPRESENTATIVE SPECIALIST

(Bilingual – Spanish)

Responsibilities include: Patient registration, scheduling appointments, customer service, insurance verification, troubleshooting potential customer issues, and achieving high performance standards. Additionally, Specialists will train and lead the PSR team and become a super-user, or expert in their field.

PATIENT SERVICE REPRESENTATIVE

(Bilingual – Arabic)

Responsibilities include: Patient registration, scheduling appointments, customer service, insurance verification, troubleshooting potential customer issues and achieving high performance standards.

CFHC is a community-based, nonprofit Federally Qualified Health Center (FQHC) that provides coordinated primary, dental and behavioral health and supportive programs through a network of five health center sites in South Chicago, East Side, Pullman, Roseland and Chicago Lawn. CFHC is an equal-opportunity employer.
