

Invest in the Future of Community Health

Because Every Child Deserves to
Start the School Year Strong

Annual Back-to-School Health Fair

Friday, August 8, 2025

South Chicago Clinic, 9119 S. Exchange Ave

This vital community event helps ensure children and young adults are ready to return to school healthy, confident, and fully prepared.

Without it, many families would lack access to the essential vaccines, medical exams, dental checkups, and sports physicals their children need to thrive. Serving over 1,000 children, families, and caregivers, this event also brings our community together with fun activities, raffles, games, giveaways, and food.

Health Fair Impact Over the Years

7,500 Backpacks & Supplies Gifted

1,000+ Physicals & Dental Exams Performed

300+ Raffle Prizes Awarded

At our health fair, every child leaves ready for school, whether with a backpack, a dental checkup, or a sports clearance. More than preparation, it's about dignity, confidence, and feeling truly supported.

Our Mission

We are a nationally recognized Federally Qualified Health Center serving over 30,000 patients annually across six South Side locations.

As a trusted provider for underserved, uninsured, and underinsured Chicagoans, we offer comprehensive services including primary care, children's and women's health, behavioral health, dental care, chronic disease management, and prescription support.

2025 National Health Center Week

For over 60 years, community health centers like CFHC have been pillars of access, equity, and care—reaching beyond medicine to uplift entire neighborhoods.

As we celebrate **2025 National Health Center Week**, your support helps ensure families on Chicago's South Side have what they need to thrive. With your sponsorship, we can provide essential health services and back-to-school readiness for over 1,000 children and caregivers—but we can't do it without you.

Questions:

Contact Julie Murphy at jmurphy@chicagofamilyhealth.org or **612-746-4150**.

Chicago Family Health Center is a Health Center Program grantee under 42 U.S.C. 254b, and a deemed Public Health Service employee under 42 U.S.C. 233(g)-(n).

FUND THE FAIR

Sponsorship Opportunities

FOOD

\$5,000

Food is one of our largest expenses at the health fair, where we feed over 1,000 families in a single day. Fuel growing bodies by funding healthy options like smoothies, nourishing sandwiches, and more. Your support gives kids the energy they need to learn, play, and thrive.

ENTERTAINMENT

\$2,500

Entertainment adds a large cost to our health fair. But it's worth every penny to bring joy to families. Funding entertainment like a video game truck, and bubble performer at our health fair helps create a joyful, family-friendly event where kids can celebrate the final days of summer.

CONFIDENCE BOOSTERS

\$1,000

Providing haircuts and salon treatments for students is a meaningful, but costly, part of our health fair. Your support gives students fresh haircuts and salon treatments, helping them feel confident, valued, and ready to excel in school.

GIVEAWAYS & PRIZES

\$500

Giveaways are one of the most anticipated, and expensive, parts of our health fair. Your support helps us provide exciting giveaways like backpacks filled with school supplies, clothing, bikes, and gaming devices.

IN-KIND DONATIONS ACCEPTED

Donations of goods and services are an important component of making our Health Fair event successful and our children and youth really need the support. All in-kind donations will be acknowledged during the program, in promotional materials on social media platforms, websites and newsletters. All donated raffle items will also be recognized.

School Supplies | Backpacks | Bicycle Helmets | New Clothing & Shoes | Bottled Water
& Health Snacks | Raffle Prizes: Laptops, Tablets, Bicycles, Skateboards, Scooters & Gift Cards
