

2025 Healing Hands Gala

Healing Starts Here: A Prescription for Success

October 4 | 5:30 p.m. to 10 p.m.

Stand with Community Health Become a Sponsor

Good health doesn't stop at the exam room door. That's why this year's Healing Hands Gala is dedicated to a simple but powerful truth: a prescription is only as effective as a patient's ability to fill it.

On the South Side, too many families are losing easy access to medications—not because they don't have a doctor, but because nearby pharmacies have closed, treatment plans go unfinished, and chronic conditions remain unmanaged. This year's gala focuses on solving that gap.

By joining us as a sponsor, you're not just supporting a one-night event—you're fueling a movement. Together, we can break ground on a new onsite pharmacy, expand lifesaving services, and revitalize healthcare access for families across our neighborhoods.

Sponsorship opportunities include premium recognition, access to a mission-driven audience, and the chance to align your brand with real, measurable community impact. Whether you step in as a top-tier Visionary Sponsor or join one of the other powerful sponsorship levels, your support helps us write a new prescription for success—and we can't fill it without you.

Our Mission

We are a nationally recognized Federally Qualified Health Center serving over 30,000 patients annually across six South Side locations.

As a trusted provider for underserved, uninsured, and underinsured Chicagoans, we offer comprehensive services including primary care, children's and women's health, behavioral health, dental care, chronic disease management, and prescription support.
